Hi Christy,

Here is a first cut at a meeting agenda for this Wednesday's meeting at 10 am to discuss EPA's comments on Draft EE/CA prepared for the Jorgensen Forge Facility. Please let me know if there are any other topics that you would like to cover and we would be happy to add them to the agenda. Also, can you let me know who we can expect to attend from your team.

See you on Wednesday.

Thanks,

Amy
